- i. For each single-family residence or other residential unit served by a single meter which serves only one (1) single-family residence or residential unit;
 - ii. For each residential unit served by a single water meter which serves more than one (1) single-family residence or residential unit;
 - iii. For all other users or persons for whom service is available.
 - iv. A reduced rate of fifty percent (50%) of the base rate is available to residential customers sixty-five (65) years upon application with the City and by showing proof of age.
-
- a) Twenty dollars (\$20.00) per two thousand (2,000) gallons for the first two thousand (2,000) gallons and two dollars sixty-five cents (\$2.65) per one thousand (1,000) gallons in excess of two thousand (2,000) gallons on a monthly water bill to the City. *Effective date January 1, 2016 until September 30, 2025.*
 - b) Twenty-two dollars (\$22.00) per one thousand (1,000) gallons for the first one thousand (1,000) gallons and three dollars fourteen cents (\$3.14) per one thousand (1,000) gallons in excess of one thousand (1,000) gallons on a monthly water bill to the City. *Effective date October 1, 2025.*
 - c) Twenty-three dollars (\$23.00) per one thousand (1,000) gallons for the first one thousand (1,000) gallons and three dollars twenty-one cents (\$3.21) per one thousand (1,000) gallons in excess of one thousand (1,000) gallons on a monthly water bill to the City. *Effective date October 1, 2026.*

¹ Editor's Note — Ordinance No. A-3982, adopted August 24, 1978, provides for industrial cost recovery in connection with waste treatment facilities constructed under E.P.A. Project No. C290524. Such ordinance has not been included in this volume but rather has been saved from repeal by the ordinance adopting this codification. A copy thereof may be found on file in the office of the superintendent of utilities.

- d) Twenty-four dollars (\$24.00) per one thousand (1,000) gallons for the first one thousand (1,000) gallons and three dollars twenty-eight cents (\$3.28) per one thousand (1,000) gallons in excess of one thousand (1,000) gallons on a monthly water bill to the City. *Effective date October 1, 2027.*
 - e) Twenty-five dollars (\$25.00) per one thousand (1,000) gallons for the first one thousand (1,000) gallons and three dollars thirty-six cents (\$3.36) per one thousand (1,000) gallons in excess of one thousand (1,000) gallons on a monthly water bill to the City. *Effective date October 1, 2028.*
 - f) Twenty-six dollars (\$26.00) per one thousand (1,000) gallons for the first one thousand (1,000) gallons and three dollars forty-five cents (\$3.45) per one thousand (1,000) gallons in excess of one thousand (1,000) gallons on a monthly water bill to the City. *Effective date October 1, 2029.*
2. "Normal sewage" shall mean sewage which contains not over three hundred (300) parts per million of five (5) day biochemical oxygen demand by weight and not over three hundred fifty (350) parts per million by weight of suspended solids, and which does not contain in excess of the allowable amounts specified in any of the materials or substances listed in this Chapter.
 3. Any business establishment, industry or other user discharging a waste or fluid into the City's sewerage system which exceeds the "normal sewage" strength will be charged, in addition to the above sewerage service, a surcharge based on samples tested under the provisions of Section 9 of Ordinance No. A-3982 and calculated under the following formula:

$$A(B) + C(D) = Tc$$

A = operation and maintenance costs for treatment of one pound of BOD.

B = pounds of BOD from user above normal sewage level.

C = operation and maintenance costs for treatment of one pound of suspended solids.

D = pounds of suspended solids from user above normal sewage level.

Tc = total surcharge.
 4. Such service surcharge by the City shall be made, billed and collected as prescribed by this Section and other applicable ordinances of the City now in force and hereafter enacted.
 5. For parties connected with the City's sewerage system and obtaining water from sources other than the City's water system, the sewerage service charges shall be on the basis and at the rates set forth above, the applicable rate being applied to what would be the bill of the City for the total amount of water furnished the user from all sources as measured by a metering plan which shall have been approved by the Superintendent for the City.

2025 Proposed Residential Water and Sewer Rates

Proposed rates are scheduled to take effect October 1, 2025

Current Residential Rates

Water:

- Base Rate (First 1,000 Gallons): \$12.00
- Each additional 1,000 gallons: \$3.13

Sewer:

- First 2,000 gallons: \$20.00
- Each additional 1,000 gallons: \$2.65

Proposed Residential 2025 Rates

Water:

- Base Rate (First 1,000 Gallons): \$20.00
- Each additional 1,000 gallons: \$3.85

Sewer:

- First 1,000 gallons: \$22.00
- Each additional 1,000 gallons: \$3.14

Water

Cost of Service	Existing	2025	2026	2027	2028	2029
Base Rate (first 1,000)	\$12.00	\$20.00	\$22.00	\$24.00	\$26.00	\$28.00

The average Monett Household uses 4,294 gallons of water per month, at a cost of \$22.45.

The proposed rate increase would bring the average residential cost to \$29.75 per month from Oct. 1, 2025 through Sept. 30, 2026.

Sewer

Cost of Service (Gallons)	Existing	2025	2026	2027	2028	2029
Base Rate (first 2,000)	\$20.00	\$22.00	\$23.00	\$24.00	\$25.00	\$26.00

The average Monett Household uses 4,294 gallons of water per month, at a cost of \$26.08.

The proposed rate increase would bring the average residential cost to \$30.34 per month from Oct. 1, 2025 through Sept. 30, 2026.

Proposed rate increase

The City of Monett is proposing a tiered rate increase over the next five years in an effort to offset increased operating costs, improvements, and maintenance needs for the city's water and wastewater system.

If approved, the first step in the rate increase, scheduled to take effect October 1, 2025, represents a larger increase this coming budget year, with smaller, incremental increases scheduled for the next four years.

The city last increased water and sewer rates in 2014.

The average household in Monett uses 4,294 gallons of water each month. For those customers, the proposed rate increase will increase the monthly bill from \$22.45 to \$29.75. Many smaller households use approximately 1,000 gallons of water. The proposed increase would increase their bill from the \$12.00 base rate to the \$20.00 base rate. The city will continue offering the base rate reduction for senior citizens. Community members must be 65 years old or older, and apply for the senior discount with the utilities billing office.

When compared to nearby communities, Monett's water and sewer rates are currently very low, and the proposed increase will bring us in line with regional standards. In Aurora, the average customer pays \$43.09 for water and \$44.90 for sewer; in Nevada, the average bill is \$55.30 for water, and \$47.20 for sewer; and in Carthage, the average customer pays \$38.35 for water and \$43.45 for sewer.

**AN ORDINANCE APPROVING A REDEVELOPMENT PROJECT FOR THE
MONETT TIF #3 TAX INCREMENT FINANCING PLAN AND ACTIVATING
THE COLLECTION OF TAX INCREMENT FINANCING REVENUES THEREIN**

1. The City Council has approved the Monett TIF #3 Tax Increment Financing Plan (the “TIF Plan”) and designated the Redevelopment Area described therein as a blighted area in accordance with the Real Property Tax Increment Allocation Redevelopment Act, section 99.800 to 99.865 of the Revised Statutes of Missouri, as amended (the “Act”).

2. The TIF Plan contemplates the implementation of the Plan through a single Redevelopment Project and the adoption of tax increment financing in the area selected for such Redevelopment Project.

3. The City Council desires to approve the Redevelopment Project as described in the TIF Plan and activate the collection of tax increment financing revenues in such redevelopment project area.

**NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MONETT,
MISSOURI, AS FOLLOWS:**

Section 1. The City hereby approves the Redevelopment Project, which is legally described in **Exhibit A** which is attached to this ordinance and incorporated herein by reference. The City Council hereby finds that the Redevelopment Project includes only those parcels of real property and improvements thereon which will be directly and substantially benefited by the redevelopment project improvements as set forth in the TIF Plan.

Section 2. Tax increment financing is hereby adopted for the Redevelopment Project as follows:

A. Tax increment allocation financing is hereby adopted for taxable real property in the above-described area selected for the Redevelopment Project. After the total equalized assessed valuation of the taxable real property in the Redevelopment Project exceeds the certified total initial equalized assessed valuation of the taxable real property in the Redevelopment Project, the ad valorem taxes, and payment in lieu of taxes, if any, arising from the levies upon the taxable real property in such project by taxing districts and tax rates determined in the manner provided in subsection 2 of Section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

1. That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid by the County Collector and the city treasurer or other designated financial officer of the City to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing.

2. Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in

the area selected for the Redevelopment Project, and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property shall be allocated to and, when collected, shall be paid to the city treasurer or other designated financial officer of the City who shall deposit such payment in lieu of taxes into the Special Allocation Fund that has been established by the City for the TIF Plan.

B. In addition to the payments in lieu of taxes described above, fifty percent (50%) of the total additional revenue from taxes, penalties and interest which are imposed by the city or taxing districts, and which are generated by economic activities within the area selected for the Redevelopment Project over the amount of such taxes generated by economic activities within such area in the calendar year prior to the adoption of this ordinance, while tax increment financing remains in effect, but excluding those items set forth in Section 99.845, RSMo, and elsewhere in the Missouri statutes, and penalties and interest thereon, shall be allocated to, and paid by the local political subdivision collecting officer to the city treasurer or other designated financial officer of the City, who shall deposit such funds in a separate segregated account within the Special Allocation Fund.

Section 3. City officers and agents of the City are each hereby authorized and directed to take such action and execute such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance.

Section 4. This Ordinance shall be in full force and effect from and after the 10th day after its passage by the City Council.

PASSED BY THE CITY COUNCIL AND APPROVED BY MAYOR OF THE CITY OF MONETT, MISSOURI THIS ____ DAY OF _____, 2025.

AN ORDINANCE APPROVING THE MONETT TIF #3 TAX INCREMENT FINANCING PLAN, ESTABLISHING A REDEVELOPMENT AREA, DESIGNATING THE REDEVELOPMENT AREA AS A BLIGHTED AREA AND DESIGNATING A DEVELOPER

1. The City of Monett, Missouri (the “City”) is a third-class city and political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of the Constitution and laws of the State of Missouri.

2. Pursuant to the Real Property Tax Increment Financing Allocation Redevelopment Act, Sections 99.800 to 99.865 of the Revised Statutes of Missouri (the “Act”), City staff prepared the Monett TIF #3 Tax Increment Financing Plan (the “TIF Plan”).

3. On February 20, 2025, after due notice in accordance with the Act, the Tax Increment Financing Commission of the City of Monett, Missouri (the “TIF Commission”) opened a public hearing, at which all interested persons and taxing districts affected by the TIF Plan were afforded an opportunity to make comments, file written objections, protests and be heard orally regarding adoption of the TIF Plan, closed the public hearing on that date and voted to adopt a Resolution which recommends that the Council make required findings, approve the TIF Plan, designate the proposed property as the Redevelopment Area for the TIF Plan and designate the City as the developer of record for the TIF Plan and the Redevelopment Project.

4. After approval by the TIF Commission, certain changes were made to the TIF Plan to provide a new map and legal description, reducing size of the Redevelopment Area in order to exclude property not within City limits and to match the legal description to the revised map, all in accordance with Section 99.825.1 of the Act, including due notice of such changes in accordance with said section of the Act.

5. No changes were made to the general land uses established in the TIF Plan or the nature of the Redevelopment Project described therein.

6. On April 10, 2025, at a public meeting of the City Council, after the posting of proper notice of the consideration of this issue and after all parties in interest and citizens were provided the opportunity to be heard, the City Council considered the TIF Plan, the recommendation of the TIF Commission, the recommendations of City staff and consultants and considered the public objections, protests, comments and other evidence.

7. Having heard and considered the objections, protests, comments and other evidence adduced at the meeting, the evidence and testimony submitted at the TIF Commission public hearing, the recommendation of the TIF Commission and the recommendation of City staff, the City Council desires to approve the TIF Plan.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MONETT, MISSOURI, AS FOLLOWS:

Section 1. The TIF Plan, as amended, a copy of which is on file in the Office of the City Clerk, is hereby approved and adopted. In the event of any conflict or inconsistency between the TIF Plan and this Ordinance, the provisions of this Ordinance shall control.

Section 2. The tract of land legally described in Exhibit 2 to the TIF Plan is hereby designated as the Redevelopment Area.

Section 3. The City Council hereby finds that:

A. the TIF Plan sets forth in writing a general description of the program to be undertaken to accomplish its objectives, including the estimated redevelopment project costs, the anticipated sources of funds to pay the costs, evidence of the commitments to finance the project costs, the anticipated type and term of the sources of funds to pay costs, the anticipated type and terms of the obligations to be issued, the most recent equalized assessed valuation of the property within the Redevelopment Area which is to be subjected to payments in lieu of taxes and economic activity taxes pursuant to Section 99.845, RSMo, an estimate as to the equalized assessed valuation after redevelopment, and the general land uses to apply in the Redevelopment Area;

B. the Redevelopment Area is a blighted area, as such term is defined in Section 99.805(1), RSMo, due to the presence of blighting factors as set forth in the Blight Study attached as Exhibit 3 to the TIF Plan, including that the Redevelopment Area is characterized by unsanitary and unsafe conditions, deterioration of site improvements and conditions which endanger life or property by fire and other causes, and that the area is an economic liability for the City and a menace to the public health, safety or welfare in its present condition and use. The TIF Plan is also accompanied by an affidavit, signed by the proposed developer of record for the Redevelopment Project, attesting to the blighting conditions of the Redevelopment Area;

C. the Redevelopment Area has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. The TIF Plan is accompanied by an affidavit signed by the Developer attesting to this statement;

D. the TIF Plan is in conformance with the Comprehensive Plan for the development of the City as a whole;

E. the TIF Plan contains estimated dates of completion of the redevelopment project and estimated dates for the retirement of obligations incurred to finance redevelopment project costs, and said dates are not more than twenty-three (23) years from the adoption of an ordinance approving a Redevelopment Project within the Redevelopment Area;

F. there are no businesses existing in the Redevelopment Area that have been or will be required to relocate in order to implement the TIF Plan. However, in the event relocation of any occupant is necessary, a Relocation Plan has been developed for relocation assistance for

businesses and residences, and the relocation of any business or residents in the Redevelopment Area, will take place in accordance with the Relocation Plan attached to the TIF Plan;

G. the TIF Plan contains a cost-benefit analysis set forth in Exhibit 11 showing the economic impact of the TIF Plan on each taxing district and political subdivision within the Redevelopment Area if the proposed redevelopment project is built pursuant to the TIF Plan or are not built, and evidence that the proposed redevelopment project is financially feasible to undertake with TIF assistance;

H. the TIF Plan does not include the initial development or redevelopment of any gambling establishment; and

I. the area selected for the Redevelopment Project (a) includes only those parcels of real property and improvements thereon which will be directly and substantially benefited by the Redevelopment Project improvements, (b) does not include any area designated as flood plain by the Federal Emergency Management Agency, and (3) does not contain any vacant, unimproved, or agricultural property that is located wholly outside the incorporated limits of the city, or that is substantially surrounded by contiguous properties with agricultural zoning classifications or uses; and

J. no alternative proposals for redevelopment of the Redevelopment Area have been received in response to the City's advertisement for such proposals.

Section 4. The City is hereby designated as a developer of record for the TIF Plan.

Section 5. City officers and agents of the City are each hereby authorized and directed to take such action and execute such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance.

Section 6. This Ordinance shall be in full force and effect from and after the 10th day after its passage by the City Council.

PASSED BY THE CITY COUNCIL AND APPROVED BY MAYOR OF THE CITY OF MONETT, MISSOURI THIS ____ DAY OF _____, 2025.

Re: Market Comparison Wage Study conducted by Ollis/Akers/Arney

GENERAL INFORMATION

The City of Monett engaged Ollis/Akers/Arney to conduct a market comparison wage analysis. Ollis/Akers/Arney is a third-party advisory firm located in Springfield, Branson, and Bolivar. The firm serves as insurance and business advisors for both private and public sectors. The primary goal of the wage analysis was to compare local markets to ensure pay practices for the City of Monett are competitive, fair, and equitable. The analysis used a variety of sources including employee feedback, private sector, and public sector jobs with same or similar duties.

Ollis/Akers/Arney designed a compensation structure to address areas of concern and be a tool for managers to provide a framework to attract, retain, and develop highly motivated and talented team members. Using local market data, the average market salary and suggested salary ranges were provided. The review of the salary ranges will be conducted by City Council and City Staff to ensure market competitiveness and make changes as necessary.

Each salary range consists of a:

- Minimum – employee with fewest qualifications.
- First Quartile – employee is becoming familiar with the complexities of the job duties.
- Second Quartile – employee demonstrates knowledge of all basics and show ability to perform more complex aspects of the job duties.
- Midpoint – employee who is fully trained, highly effective in the job duties.
- Third Quartile – employee is able to perform all aspects of the job duties and beyond.
- Fourth Quartile – employee has mastered all aspects of the job duties and conducts additional duties.

- Maximum – employee has value and institutional knowledge of job duties and the organization.

PROPOSAL

The final analysis data and budget impacts were presented to Council in Closed Session Pursuant to Sections 610.021-610.022RSMo for the Purpose of Discussing the Following: Personnel Matters as Defined by Section 610.021(3). Utility Billing:

2025 Information Update: In the utility bill that went out in February (4,578), we added a form similar to our application to have residence update their information on their utility bill. We have discovered that customers that have been with us for many years do not have updated information about the city to help us contact them or verify they are on the account. We had about 660 forms turned into the city in February and March and collections team has worked hard updating the customers' information.

Water Rate Update: With the help of Ken, a form has been created for customers to know what the future 5-year bills are based on average gallons of water used. If the rate increases pass on April 10th, we will be able to use this standard form for customers that can be customized to their average usage in their household to help customers understand future bills for the rate change.

Civic Ready: Collections/Utility Billing are trying to inform customers of Civic Ready (mass notification center). Flyers were put out in January 2025's bill and there has been information on about Civic Ready on the bill since May 2023. We have also made Facebook posts in reference to signing up and the information is also on our website and post every time we send delinquent notices. The goal is for us to keep our community informed by text, call, or email. This includes information in reference to power outages, delinquent shut offs, major leaks, utility work or public works maintenance in their area, city wide cleanup, trash schedule changes, etc.

Airport Manager Report

1. 1200 Aero
 - a. 516 total operations. 74% total operations piston aircraft. 24% total operations are training. These have been steadily consistent over the past few months. With us breaking 1000 operations in march. This is a good accomplishment as it sets us to hopefully be hitting a 9k operations marker by the end of the year.
2. Sponsorships/Events
 - a. Fly-in – Had the Safety Meeting on the 19th and was a very good update and discussion. Had several members join online and will look to be incorporating that more going forward.
 - b. Mid/end of June we will have a movie night at the airport hosted by the chamber. Have not had a meeting on it yet due to the Food Truck Friday and April Events.
3. Snow Operations
 - a. We had a 6 inch snow 2 month ago. We did not end up having to close during operation hours and had it cleared within a couple hours after the snowfall stopped.
4. 1 Ton Truck
 - a. Finally recieved the vehicle and look forward to being able to utilize it here.
5. State Aviation Day/MAMA Conference
 - a. State aviation day I got to meet with Rep. Boggs, Sen. Moon, Rep. Deaton, Treasure, and Governor. Among others about airport projects and supporting aviation development within the state.
 - b. MAMA we had several guests come and discuss on a variety of topics from runway design and construction, to snow operations, and even documents like minimum standards and grants.

Communications Report

We have created a flier for the Water Department that encourages community members to participate in a voluntary water conservation program by ensuring they irrigate lawns every other day, rather than daily.

We have also distributed the SMOG survey, requesting responses from the community. The Chamber of Commerce has posted the survey flier on its digital billboard, in its weekly newsletter, on its Facebook page, and distributed it to local business partners who have message boards for visitors and staff. The flier has been distributed to various departments and posted at city hall and will be inserted in this month's utility bills.

We have worked with the school district for city participation in its "Careers on Wheels" program, and staff from the Fire Department, Utilities, Public Works and Police will have staff and vehicles on hand to meet with students next week.

I am working on a proposal to update city branding. This will likely begin with City Hall and vehicles, and gradually move to include other city facilities and parks.

We have requested all staff standardize their email signatures.

We have continued regular messaging regarding next month's Citywide Clean-Up, issued a message regarding trash carts in the street and kept the community updated on various utility projects throughout the month.

Comprehensive Plan Steering Committee Report

The Comprehensive Plan Steering Committee held its first meeting Tuesday, March 18. Representatives from SMCOG conducted the meeting, providing an overview of the Comprehensive Plan goals, a slide show of Monett census data and statistics and a draft of a community survey.

The committee members shared a lot of knowledge about our community to help guide SMCOG in its efforts, including the population shift we experience during normal business hours which can often be overlooked by potential developers who are not familiar with our area. The committee also shared a lot of good feedback regarding the proposed survey, requesting that it be distributed to both Monett residents, and those who work in the community but may not reside here. The group wants to make sure that as we develop the 20-year plan, we account for the needs of community stakeholders who aren't necessarily residents.

The group also expressed a goal of understanding what kinds of changes Monett can make to encourage those who work but don't live in the community to consider making Monett their home.

The Committee also encouraged SMCOG to evaluate and provide census statistics for surrounding communities so we can evaluate how trends in Monett impact those communities, and vice versa.

SMCOG and the City began distributing the community survey on Tuesday, April 8. That survey is available online and in hard copy. It will remain open through May 11.

It has been shared on the city website and socials, at various city locations, on the Chamber of Commerce digital billboard, through the Chamber of Commerce newsletter and through message boards at various businesses. We have seen that committee members have been sharing the survey on their socials as well and appreciate their efforts.

SMCOG will be in attendance at this Friday's Food Truck Friday to distribute the survey and raise awareness, with plans to also attend next month's Food Truck Friday event.

24. The next meeting of the steering committee is scheduled for noon-1:30 p.m. Thursday, April

MONTHLY REPORT

March 2025

PUBLIC WORKS

MONTHLY REPORT

CEMETERY CREW

- Four funerals total: All traditional/full size. Two managed by Bennet-Wormington, One by Buchanan, and one by Lakin (Pierce City). One funeral ran late after hours during the week.
- Three grave plots sold, all at I.O.O.F.
- One plot sold privately, and ownership transferred via quit claim deed.
- All mowers have been serviced, cleaned and detailed for the start of the season.
- Spent a record amount of time picking up trash, limbs, and loose flowers following the many high wind events.
- Lost one tree due to the winds. No damage to nearby monuments. The tree has been cut up and hauled off.
- Inventoried and tested weed eaters/trimmers for the upcoming season.
- Keith assisted in the interview process for the North Park and Cemetery summer help positions.
- All outside lots walked and inspected for hazards. Brush, limbs, and trash cleared and removed for mowing.
- Spot mowing in needed areas began.
- Two loads of screened dirt hauled to Cemetery. Several loads of rough dirt hauled to dump site.

OUTLOOK

- Looking ahead, the crew will be in full mowing season mode and will address funerals as they present themselves.
- Looking forward to summer help arrival.

SOUTH PARK CREW

- The crew trimmed trees and hauled off the brush.
 - The South Park crew in conjunction with Street and electric tree trimmers removed the giant Ash tree by the pond, hauled off the brush and cleaned the area.
 - Wood chip rings placed around trees, shrubs and bushes.
 - Two tops from Sassafras trees lost during the wind events, cut up and hauled off.
-

- Pre-emergent applied at the soccer fields for broadleaf and weed control (Larry & Tyler from North Park).
- Winter heave rolled out throughout the park with the roller.
- Sprinkler systems checked out for the season at the Casino, and the Pavilion.
- Numerous days spent picking up limb, trash, and debris from all the wind events.
- Installed the front valley fountain for the season.

OUTLOOK

- Kevin and his crew will begin spraying for weeds as needed at around Kelly Creek, and the wood mulch tree rings.

NORTH PARK SPORTS COMPLEX

- The spring ball season has started.
- Daily grooming of the fields has begun with mowing, trash pick-up, bathroom cleaning, rock picking as needed.
- One USSSA tournament completed on March 28TH.
- MHS invitational was completed on March 4TH & 5TH.
- MHS Tennis invitational March 9TH.
- Sandlot tournament on March 19TH all fields.
- Broadcasted 30-0-10 Turf food/crabgrass control Barricade 50 with Surfcoat (sustained uniform release fertilizer) for pre-emergence control of broadleaf and crabgrass. Also applied to South Park soccer fields.
- All the infields rolled.
- Wood flooring on Field #6 replaced.

OUTLOOK

- Aaron Bush hired on for our summer help.

SANITATION CREW

- The Sanitation crew continues with the constant collection of the city's solid waste.
- The emissions system (DEF – Diesel Emission Fluid) system continues to give us fits on unit 40 (automatic side loader) Paul the mechanic is working continuously with the factory field representative (mechanic) to keep this unit running and his and Jessie's (2ND city mechanic) efforts are much appreciated!

OUTLOOK

- The Sanitation crew continues their exemplary customer service day in and day out!

RECYCLE CREW

- Reynaldo and Timothy continue to take care of the city's and the surrounding area's recyclables.
- We have begun operation of our HHW RE-USE Facility on Friday's from 2:30 PM – 3:15 PM (our first opening saw 50 LBS. of materials taken for re-use) this is fantastic as this keeps these items out of the waste stream, saves employee's money, saves the city money as we don't have to pay for HHW processing. We really look forward to this program taking off as more people hear about it. Please remember that this is an employee only program.

OUTLOOK

- Continued success in the operation of our Recycle center.

STREET CREW

- Dustin and his crew have completed the installation of the concrete curbing around the playground's areas at the North Park Sports Complex. These will be the outer limits of the pour-in-place surfacing to be installed after the actual playground installation.
- The March brush pick-up has been completed.
- Crack seal continues as the weather allows.
- A small inclement weather event was worked the morning of March 5TH.
- We have finally received back our new truck#25 from the outfitters. Set up with snowplow and v-box for salt distribution.
- Screening of compost weekly for the Saturday sales periods.
- Small stormwater repair completed at Chapell Dr. and Bridle Ln.
- Large Ash tree by the pond at South Park removed (Emerald Ash Borer's) in conjunction with electric dept. tree trimmers
- Our part-time helper Josh Brown continues the GIS mapping of Monett's storm water system.

OUTLOOK

- Continue crack sealing as weather and temperature allow.

CASINO, PAVILION, COMMUNITY BUILDING (FEMA SHELTER)

- The Casino jumped up to a 66% rental rate in March.
- The Community building saw one rental during March.
- The Pavilion will see its first event in April with the Food Truck Friday campaign beginning.
- The Splash Pad remains in hibernation mode.

OUTLOOK

- Dave Compton is working towards getting the automatic door opening system working again at the FEMA shelter on Marshall Hill, so it automatically opens with storm siren activation.
